

Assistant Professor
Division of Mathematical and Natural Sciences
New College of Interdisciplinary Arts and Sciences
Arizona State University – West campus

The Division of Mathematical and Natural Sciences in the New College of Interdisciplinary Arts and Sciences at Arizona State University's West campus invites applications for a tenure-track Assistant Professor in Statistics. Duties involve teaching, engaging in scholarly activity, and providing service to the university and the profession. Required Qualifications: Ph.D. in a relevant discipline by August 2012; ability to contribute to our newly developed program in statistics; ability to contribute to the Division in the areas of teaching, research, and service. Desired Qualifications: Interest in establishing interdisciplinary research programs with other faculty in the Division; experience mentoring undergraduates in research; experience developing new courses. Candidates that can enhance and complement ASU's strengths in the broad areas of sustainability, education, and health are encouraged to apply. Send electronically: a letter of application, statements describing your research program and teaching philosophy, unofficial transcripts, and curriculum vitae to mns.dept@asu.edu. Applicants should request that three letters of reference be sent to mns.dept@asu.edu. For complete qualification/application information, see: <http://newcollege.asu.edu/jobs/>. Application deadline is January 3, 2012; if not filled, every Friday thereafter until search is closed.

Arizona State University is an equal opportunity/affirmative action employer. Women and minorities are encouraged to apply. ASU's non-discrimination statement may be found at: <https://www.asu.edu/titleIX>.
