TOTAL		\$55,296	\$53,291

- 1 For full and part-time students, tuition charges will be assessed based upon the number of credits for which a student is registered. For 2007-2008, the charge is \$802 per credit hour. Please refer to the HSPH Tuition and Fees Schedule and the HSPH Student Handbook for more information on billing procedures and payment requirements.
- 2 Part-time students taking 10 credits or less may waive the University Health Service fee if an online waiver is completed prior to September 30th for fall, and March 31st for spring. Family/spousal UHS service is available to all students at a coverage fee of \$3,218 for a student and spouse; \$2,218 for student and child; \$4,010 for a student, spouse and child; and \$4,408 for a student, spouse and children.
- 3 The BC/BS Health Insurance Fee may be waived upon proof of similar coverage by U.S.-based insurance carrier. The on-line waiver form must be completed prior to September 30th for fall, and March 31st for spring proving comparable coverage by U.S.-based insurance carrier. Family/spousal BC/BS health insurance is available to all students at a coverage fee of \$3,072 for a student and spouse; \$2,388 for student and child; \$4,098 for a student, spouse and child; and \$4,614 for a student, spouse and children.
- 4 The rent/utilities expense is an AVERAGE cost, and \$1,022/month generally means sharing an apartment with a roommate. Monthly rates for 2007-08 for the HSPH student apartment building, Shattuck House, are \$1,400-\$1,800 for a 1-bedroom, \$2,100-\$2,300 for a 2-bedroom, and \$1,050-\$1,150 for a shared 2-bedroom. Off-campus housing rates vary greatly depending on but not limited to location, number of roommates, and size.
- 5 International students in 1-year Masters Programs (MPH and MS1) must be able to demonstrate a 9-month level of support (\$54,741) when beginning in the fall and a 12-month level of support (\$60,165) when beginning in the summer prior to the issuance of an I-20 or IAP-66. Multi-year degree (doctoral and MS2) candidates must demonstrate a 12-month support level of at least \$58,160. Students with additional family members must demonstrate the following levels of support.

	Student & Spouse	Student & Child	Student, Spouse & 1 Child *	Student, Spouse & 2 Children *
9 Month (1-yr Programs)	\$62,671	\$60,359	\$65,679	\$67,943
12 month (1-yr Programs)	\$69,571	\$67,043	\$72,969	\$75,683
12 Month (Multi-yr Programs)	\$67,566	\$65,038	\$70,964	\$73,678

*For each additional child, add \$1,485 for the 9-month and \$1,980 for the 12-month budget.

- 6 Federal student loan fees are based on borrowing \$18,500 William D. Ford Direct Loans, available to US citizens and permanent residents only.

PERSONAL EXPENSES

The following items are considered in the personal expense calculation: newspapers/periodicals, laundry/dry cleaning toiletries, clothing purchases, entertainment costs

COSTS EXCLUDED FROM THE STUDENT BUDGET (only 2007-2008 educational expenses can be included in the student budget calculation):

- Prior credit card debt
- Relocation costs such as moving expenses, purchase of warm clothing, furniture and household items
- Costs associated with purchase, parking and maintenance of cars
- Costs associated with private education of children
- Costs associated with job interviewing and certification exams

INDIVIDUAL BUDGET ADJUSTMENTS

Individual adjustments to the student expense budget may be made for the following:

- Child care
- Medical/Dental expenses not covered by insurance
- The cost of one round-trip coach ticket to/from student's home
- Membership to career-related organizations
- School-related or career-related trips
- Purchase or rental of a personal computer.

Students seeking an individual adjustment to their expense budget should speak with the Office of Student Financial Services to discuss specific issues and required documentation
