Michie Hisada, doctoral student in the Department of Epidemiology, will present her thesis, "Host Factors and Risk of Adult T-Cell Leukemia/Lymphoma," on December 12 at 2:00 p.m. in Kresge 904.

The inaugural Julius B. Richmond Lecture was held on November 21 at the Boston Park Plaza Hotel and featured a presentation by Donna Shalala, US Secretary of Health and Human Services. The lectureship has been established by the Division of Public Health Practice, whose director, Deborah Prothrow-Stith, described it as an opportunity "to honor our esteemed colleague, Julius Richmond, for his outstanding work and the generation of practitioners that he has inspired." Richmond is professor of health policy emeritus at HSPH.

Above, Shalala speaking about adolescent health and violence prevention. Below, Richmond and Shalala conversing.

The Harvard Printing and Publications Services office in Kresge 108 is now able to make color copies on site from either full-size originals or 35mm slides.

Calendar cont'd.

Submit calendar listings to Ethan Cohen, Kresge 1005, or via Email (ecohen@sph.harvard.edu).
