

Albert Einstein College of Medicine Division of Biostatistics

Masters Level Biostatistician

Albert Einstein College of Medicine seeks an experienced Masters level biostatistician to join an expanding Division of Biostatistics in a highly collegial academic environment. Responsibilities will include collaboration with biostatistics faculty and research investigators on the analysis of epidemiological, clinical, and basic science projects, study design, and data management.

Albert Einstein is located in an attractive and convenient area, near the Bronx Zoo and New York Botanical Gardens, and minutes from Manhattan and Westchester County. Applications will be accepted on a continuing basis until the positions are filled. EOE.

Interested applicants should forward resumes to:

**Mimi Kim, Sc.D., Head
Division of Biostatistics
Department of Epidemiology and Population Health
Albert Einstein College of Medicine
1300 Morris Park Avenue, Belfer Room 1303B
Bronx, NY 10461**
