

Call for Research Posters on Health Disparities

**Dana-Farber/Harvard Cancer Center
Cancer Disparities Program-in-Development in
Cooperation with HSPH presents**

NEW INVESTIGATORS' POSTER SESSION RESEARCH IN HEALTH DISPARITIES

**Friday, April 15, 2005
Kresge Dining Area
Harvard School of Public Health
8:30-11:00 a.m.**

- ❖ Graduate Students, Fellows, or Junior Faculty welcome from any academic institution or community agency
- ❖ Broad range of topics welcome related to understanding and eliminating health disparities and inequities—race, ethnicity, socioeconomic position, language, literacy, gender, sexuality, disability, immigrant status, age, insurance status, housing status, geographic location and other relevant social categories.
- ❖ Poster Session to coincide with breakfast following HSPH symposium “Investigating Health Disparities: New Agendas for National Health Research Institutes” – April 14, 2005
- ❖ Special interest in cancer disparities
- ❖ Opportunity to network with other researchers and grantmakers
- ❖ **DEADLINE:** Submit Abstract Registration Form by March 8, 2005
- ❖ Questions? Please email kdonelan@partners.org or call Karen Donelan at Mass. General Hospital Cancer Center: 617 726 0681

Posters already prepared for other meetings are welcome
