

# Green Tip f the Month

**100%**  
Of shell eggs are cage-free, organic, and locally raised!

Check out the Mission Hill *farmers' market* on Thursdays from 11am-6pm. Located at Brigham Circle, at Huntington Ave. and Tremont St.

Harvard University Food Services *composts all pre-consumer waste* in Sebastian's Café, and HSPH provides *post-consumer composting* in the cafeteria. All food scraps, napkins, eating utensils, hot cups (not lids), clamshells take-out containers, and cold beverage cups bought at Sebastian's are *compostable!*

- ◆ Many of HUDS grocery items are grown locally and organically!

- ◆ Bring your own *mug* and get a discount on coffee refills-only \$1.15!

## HSPH's Sustainable Dining Program
