The [Cardiovascular & Chronic Diseases Working Group](#)

Presents:

Cardiovascular Disease (CVD) in Developing Countries - Moving Forward

Wednesday, July 22, 2009

8:30 - 5:00 p.m.

Harvard Medical School

Joseph B. Martin Conference Center

This conference aims to gather leading experts to inform the education, research, medical and Boston-area communities about the growing burden of CVD in the developing world. The goal is to generate the next steps in the research and education agendas for CVD in the developing world and to provide a venue for opportunities for collaborative work.

Free and open to the public

Space is limited. [Registration](#) required.

To [register](#) and for more information, please visit the [conference website](#).
