Important Information on Completing the Application for Admission to the HSPH Summer Session • 2004

Application Deadline

All applications and supporting documents must be received by **March 1, 2004**. Applications submitted and/or completed after this date will not be considered for admission to the Summer Session.

Application Fee

A non-refundable application fee of \$60.00 is required. A check drawn on a bank in the United States, a U.S. postal money order, or an international money order in U.S. currency, made payable to the Harvard School of Public Health must accompany your application. Please indicate your name on the check or money order. **Currently enrolled HSPH students or individuals who have applied to a degree program at HSPH for Fall 2004 and have paid a \$60 application fee are not required to submit another application fee. All other applications without the fee will not be processed.**

Instructions for Completing the Application Form

The application form should be completed in full unless otherwise indicated (see Item IV). Please type, if possible, or print in black ink.

Each segment of information corresponds to the Roman Numeral on the application for admission.

I. Biographical Information

Name

Please provide your legal name in the spaces provided. If you have been affiliated with Harvard University under any other name, please indicate. If your name legally changes during the application process, you must submit appropriate legal documents supporting the name change.

Identification Numbers

Your U.S. Social Security number will be used only temporarily to identify your application in the local computer database until a nine-digit Harvard University ID number is assigned to you if your admission is accepted and confirmed. If you do not hold a U.S. Social Security card, a random nine-digit identification number will be assigned to you. After acceptance into the Summer Session and confirmation of enrollment, each student is assigned a Harvard University student ID number. If you already have a Harvard ID Number, whether as a student or a staff member, please indicate your previous affiliation and ID number in the space provided.

Address

Please provide a current address and day and evening telephone numbers. If your address or telephone numbers change during the admissions process please inform the Summer Session of such changes.

II. Course Selection

Please indicate on the application form the courses to which you are applying for admission. Please note course times and credit limits for each session. **If courses meet at the same time, indicate which is your first choice.** Refer to the program brochure for descriptions of course content and requirements, or check the school's website for course information: www.hsph.harvard.edu/registrar/courses/index.shtml

IV. Release of Application Materials Previously Submitted to HSPH

If you have applied for degree candidacy at the Harvard School of Public Health for the 2004-2005 academic year, you may authorize the Admissions Office to release your application materials to the Summer Session by signing in the space indicated. All materials submitted in support of your application for admission to degree candidacy will be

Please Note

Admission to and participation in the Summer Session does not guarantee admission to a degree-granting program. If you are interested in applying to a degree-granting program either before or after attending the Summer Session, contact the Admissions Office at 617-432-1031 to request application materials. The Admissions Office can be reached by e-mail at admisofc@hsph.harvard.edu.

Similarly, admission to a degree-granting program at the School of Public Health does not guarantee admission to the Summer Session. Because the Summer Session courses are intensive, and because space is limited, current and entering HSPH students may not, in some instances, be admitted to Summer Session courses.

released to the Summer Session reviewers. If you are a current student or current degree candidate, you may skip parts V through IX and sign here to release your application materials from the Registrar's Office to the Summer Session.

V. Citizenship

Indicate your citizenship by checking the appropriate category and provide the additional information requested. Note that if you are a permanent resident of the United States (Green Card holders only) you must submit a photocopy of the front and back of your permanent resident card.

VI. Optional Questions

Answers to questions in this section are optional. The answers are requested for statistical reporting only. Choosing not to provide answers to some or all of these questions will in no way influence the decision regarding your application for admission.

Please note: If accepted, gender and date of birth are required information.

VII. Professional Experience

Please indicate your most recent occupation by using the appropriate code listed below. Also indicate the length of time (in years) you have been in this occupation. **Please enclose your current resume or curriculum vitae.**

Code/Occupation

02	administrator	38	pharmacist
08	biostatistician	40	physician

VIII. Education

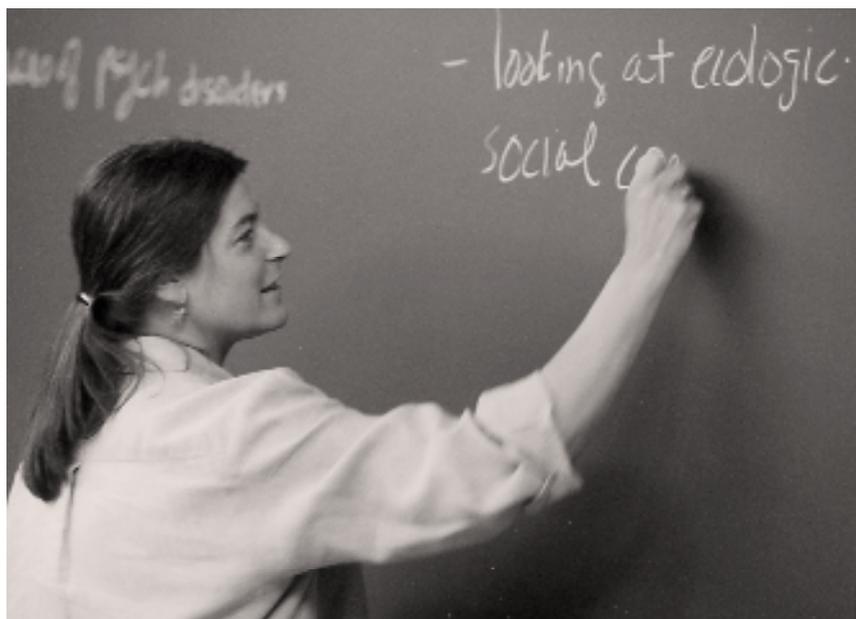

List all colleges and professional schools you have attended, starting with the most recent, whether or not you received relevant academic credit from that institution. **Please submit transcripts from each institution from which you received a degree.** You may either ask the institution to send a copy of the transcript directly to the Summer Session, or you may forward it to us yourself. If your academic institution does not provide transcripts, you may have the Registrar submit remarks, rank in class, position in examinations, course curriculum, etc., in place of the transcripts. If the institution does not keep records in English, the transcript must be translated into English.

IX. Standardized Tests

The Test of English as a Foreign Language (TOEFL)

All students applying from countries where English is not the language of instruction and all U.S. permanent residents and U.S. citizens who were granted permanent residency or citizenship after January 1, 2003 must submit a TOEFL score report (minimum score of 560 on the paper-based test or 220 on the computerized test is required) to the Summer Session before their applications will be considered.

As a matter of policy, law and commitment, the Harvard School of Public Health does not discriminate against any person on the basis of race, color, sex, sexual orientation, religion, age, national or ethnic origin, political beliefs, veteran status, or handicap in admission to, access to, treatment in, or employment in its programs and activities.

Admissions Tests: "Do I have to submit a GRE score report?"

The Summer Session strongly encourages you to submit a score report from the GRE (or an appropriate substitute as outlined below) along with your application. Scores from such standardized tests can provide important information about your quantitative aptitude in particular. **If the transcript you submit from a baccalaureate or post-baccalaureate program does not include a grade for a college-level mathematics course, you will be expected to submit a standardized test score report.** You may submit a photocopy of your score report.

Scores from the following examinations are acceptable under the following circumstances:

Dentists and current dental students may submit scores from the Dental Admission Test (DAT)

Applicants holding an MBA or DBA, or current MBA or DBA students, may submit scores from the Graduate Management Admission Test (GMAT)

Physicians and current medical students may submit scores from the Medical College Admission Test (MCAT)

Attorneys and current law school students may submit scores from the Law School Admission Test (LSAT)

X. Statement of Intent

On a separate sheet of paper, please describe your areas of interest in public health, your reason for wanting to attend the Summer Session, and your career plans. Your statement should be typed, double-spaced, and no more than 500 words long.

XI. Signature

You must sign and date the completed application. Your signature certifies that the information provided by you on all sections of the application and any supplementary sections is complete and accurate in every respect, and that you understand that any misrepresentation or omission may be cause for denial of admission or revocation of academic record. Your signature also certifies that you understand that any materials submitted with your application become the property of the Harvard University School of Public Health. **Even if you have signed the release authorization at Roman Numeral IV, you must sign and date the application here.**

Unsigned applications will be returned to the applicant with a request for signature. Applications without a signature will not be processed.
