Happy Holidays

All of us on the EcoOpportunity team wish you a happy, healthy, holiday season and a peaceful 2017.

Season of (No) Lights

For the 2016 Winter Recess, take a moment to take the Season of (No) Lights Pledge at <https://hsph.me/nolights>. This year both lab and office members are encouraged to reduce the burden on our resources by shutting down equipment during the winter break.

DID YOU KNOW?

It takes six to ten years of fighting heavy rain, wind, hail and drought to get a mature Christmas tree. These days trees are grown on farms and are planted as a sustainable crop much like corn or pumpkins.

DON'T MISS THIS!

Dec. 15 @ 2-3pm - EcoOpportunity Meeting. Minot Room 5th Floor, Countway Library. Snacks will be provided. Please bring your own reusable plate and/or cup.
