

THE ECO MOSQUITO

SUSTAINABILITY NEWS AND EVENTS AT HLC AND BEYOND

Take the Stairs 2017

TtS is underway and here are the stats so far (excluding obvious errors in data):

- 290 teams in total
- 180 teams have reached Pierce Peak @ 23,492ft!
- 260 teams logged flights
- Participants from ALL 13 of Harvard's Schools and Institutes and many Harvard affiliates!
- Register, track progress, and learn more at: hsph.me/stairs
- Use #HarvardClimbs to share your climbing story

Remember, teams that reach Pierce Peak will be entered into raffles for prizes. Prizes will be given to creative team names – as voted by you!

DID YOU KNOW?

Longwood area planners are looking to hear from you about a multimodal survey that they have put together. Take a few minutes and complete the survey on how you get to the Longwood Medical Area: <https://hsph.me/cyclesurvey>

Harvard Climate Week

Visit <http://harvard-climate-week.com> for more information. This week-long program will give the Harvard community, as well as the interested public, exposure to some of the best scholarship and thinking related to climate change that we have at the University.

Human Health in a Changing Climate

Thursday, April 27, 9AM. Location: 250 Jefferson Hall, 17 Oxford Street, Cambridge
