SUSTAINABILITY NEWS AND EVENTS AT HLC AND BEYOND

Transportation

Some tips on sustainable transportation from the Office for Sustainability : Did you know that Harvard is committed to developing programs, initiatives and resources that build better connectivity between campuses? The hope is that this will provide the community with alternatives to driving and encourage a safe, healthy lifestyle.

The CommuterChoice Program in Cambridge/ Allston and MASCO in Longwood provide employees with benefits and programs that encourage transit use, bicycling, walking and carpooling.
