## MASTER'S DEGREE (TWO YEAR) PROGRAM CONCENTRATIONS (80 CREDITS)

- Environmental Occupational Health
- Occupational Hygiene
- Ergonomics \& Safety

## Key:

R: Required courses
Courses listed as "F1 and F2" meet in the fall, and "S1 and S2" courses meet in the spring
Additional elective course selections for master's students should be determined in close collaboration with the faculty advisor. Individualized programs, based on each student's experience and needs, should be developed to ensure the coursework provides the requisite background for dissertation research and fulfills the student's major and minor field areas.

| Course Number | Title | Course Credits | Environmental Occupational Health | Occupational Hygiene | Ergonomics \& Safety |
| :---: | :---: | :---: | :---: | :---: | :---: |
| BST $201 \mathrm{~F}_{1} \mathrm{~F}_{2}$ | Introduction to Statistical Methods | 5.0 | R | R | R |
