

Harvard Chan School Postdoctoral Fellow Confirmation of Health Insurance Coverage

Effective October 1, 2013, all newly-appointed Harvard Chan School postdoctoral research fellows (postdocs) must have health insurance coverage that meets the Massachusetts minimum coverage (see attached Minimum Creditable Coverage (MCC) Requirements). Postdocs who are not on the Harvard payroll and thus not eligible for Harvard University employee health insurance, must complete either **Section 1** or **Section 2** of the form below to confirm their health insurance coverage.

Name of Postdoc: _____

Name of Mentor/Supervisor: _____

Department: _____

Section 1

I have health insurance coverage that meets the Massachusetts minimum coverage through _____ (example: home institution, spouse, other source) and will not need coverage from my Harvard Chan School mentor.
