

Dear Colleagues,

It is my pleasure to announce the recipient of the 2021 Sarah K. Wood Award for Outstanding Staff Performance.....

Eric DiGiovanni
Assistant Director of Graduate Studies
Epidemiology

This award was established by friends and admirers of Sarah K. Wood in tribute to her many years of exceptional service to Harvard University and the Harvard T.H. Chan School of Public Health. Eric is an excellent example of someone who demonstrates all of the qualities represented in this award. We will further recognize Eric at the School's virtual Awards Ceremony on Wednesday, May 26. We hope you will join us to support Eric in receiving the award.

Many thanks to all who took the time to nominate someone and to the School-wide staff recognition committee for their work on this award!
