

CURRICULUM VITAE

NAME Michael R. Reich

EDUCATION

1974	B.A.	Molecular Biophysics and Biochemistry	Yale University
1975	M.A.	East Asian Studies (Japanese Studies)	Yale University
1981	Ph.D.	Political Science	Yale University

POST-DOCTORAL TRAINING

1981-82	Research Fellow, Interdisciplinary Programs in Health, Harvard School of Public Health (HSPH)
1982-83	Post-Doctoral Research Fellow, Harvard Business School

ACADEMIC APPOINTMENTS AND AFFILIATIONS

2021-present	Taro Takemi Professor of International Health Policy, Emeritus	Department of Global Health & Population, Harvard T.H. Chan School of Public Health
2016-2021	Taro Takemi Research Professor of International Health Policy	Department of Global Health & Population, Harvard T.H. Chan School of Public Health
1997-2016	Taro Takemi Professor of International Health Policy	Department of Global Health & Population, Harvard School of Public Health
2015-2017	Visiting Professor	School of Medicine, University of California- Riverside
2015-2016	Visiting Professor	Instituto Nacional de Salud Pública, Cuernavaca, Mexico
2005-2006	Visiting Professor	Instituto Nacional de Salud Pública, Cuernavaca, Mexico
2001-2005	Director	Harvard Center for Population and Development Studies
1999-2001	Chair	Department of Population & International Health, HSPH
1997-99	Acting Chair	Department of Population & International Health, HSPH

1992-97	Professor of International Health Policy	Department of Population & International Health, Harvard School of Public Health
1992	Visiting Professor	Administrative Staff College of India Hyderabad, India (January 1992)
1990-97	Vice Chair	Department of Population & International Health, HSPH
1989-	Member	Center for Population & Development Studies, Harvard University
1988-present	Director	Takemi Program in International Health, HSPH
1988	Visiting Associate Professor	Faculty of Medicine University of Tokyo
1986-92	Associate Professor of International Health	Departments of Population Sciences (1989-) and of Health Policy and Management, HSPH
1984-88	Executive Director	Takemi Program in International Health, HSPH
1983-86	Lecturer on International Health	Department of Health Policy and Management, HSPH
1983-84	Assistant Director	Takemi Program in International Health, HSPH
1983-85 1981-83	Affiliate Research Associate	Center for European Studies, Harvard University
1983-84 1982-83	Associate Research Associate	Program on U.S.-Japan Relations Center for Intl Affairs, Harvard
1980	Lecturer	Yale College
1979-80	Resident Associate in Research	Fairbank Center for East Asian Research, Harvard University
1979	Visiting Research Fellow	Institute of Public Health, Tokyo, Japan
1974-75	Course Coordinator	Yale University
1973-74	Research Associate	Center for Environmental Studies, Princeton University
1972-74	Visiting Researcher	International Medical Information Center, Keio University School of Medicine, Tokyo

1971-72 Technician Heart Institute of Japan, Tokyo Women's
Medical College, Japan

AWARDS AND HONORS

2016 Inaugural Award for Lifetime Service in the field of health policy and systems research, conferred by the Alliance for Health Policy and Systems Research and Health Systems Global, at the Fourth Global Symposium on Health Systems Research

2015 Government of Japan’s Order of the Rising Sun, Gold Rays with Neck Ribbon, for outstanding contributions to the promotion of Japan’s policy for global public health as well as for advancing public health in Japan

2005 Roger L. Nichols Excellence in Teaching Award, Harvard School of Public Health

1995 Co-recipient of Medical Information eXpress (MIX) Award from the Institute for Health Economics and Policy in Tokyo, Japan, for paper published on health economics

1992 Recipient of 1991 Best Book of the Year Award from Policy Studies Organization, for *Toxic Politics: Responding to Chemical Disasters*

1978 Sumitomo Fellowship from Yale University Council on East Asian Studies, for Dissertation Research

1974 B.A. *cum laude* from Yale College

1971 Yale Five-Year B.A. Program, selected to work in Japan for one year, but remained from July 1971 to May 1974

MAJOR PROFESSIONAL SERVICE

Health Systems & Reform, Founding Co-Editor-in-Chief, published by Taylor & Francis (2014-present)

Lancet Commission on Essential Medicines Policies, Commissioner (2014-16)

World Bank Institute, Core Instructor in Flagship Course on Health Sector Reform and Sustainable Financing (1997-2018) and Course Director (2013-18)

Harvard Malaria Initiative, Senior Advisor (2013-present)

American Friends of ACOSHED (African Council for Sustainable Health Development), President of the Board of Directors (2003- 2010)

World Health Organization, Expert Advisory Panel on Drug Policies and Management (1995-2010)

AIDS Prevention Initiative in Nigeria, Ltd/Gte, Member (2007-2010)

Schistosomiasis Control Initiative, Member of the Board of Directors (2002-2010)

WHO/World Bank/ UNDP Special Programme on Research and Training in Tropical Diseases, Member of the Scientific and Technical Advisory Committee (STAC) (2000-2007)

UNFPA, Strategic Planning Office, Advisor on Political Analysis (2005-2009)

International Trachoma Initiative, Member of the Technical Expert Committee (1998-2006)

Advisory Panel, U.S. Congress Office of Technology Assessment Study on Drug Labeling in Developing and Newly Industrializing Countries (1989-91)

World Bank, Environment Department, Consultant (1990)

World Health Organization, Intersectoral Action for Health, Consultant (1987-89)

World Health Organization, Action Program on Essential Drugs, Consultant (1984-86)

LANGUAGES: Japanese, Spanish, French, Italian

TEACHING EXPERIENCE

<i>Date</i>	<i>Course Title and Institution</i>	<i>Experience</i>
2022-23	Doing Health Reform Better, HSPH	Instructor
To present		Developed & taught

2016-17 to 2021-22	Knowledge and Research Design in Global Health, HSPH	Instructor Developed & taught
1984-85 to 2014-15	Political Economy of Global Health Policy, HSPH	Instructor Developed & taught
2009-10 to 2014-15	Theories and Methods of Political Inquiry For Health Policy, HSPH	Instructor Developed & taught
2014-15 to present	The Mexican Health System: Reform, Implementation, and Monitoring/Evaluation, HSPH	Co-Instructor Co-developed & taught
2002-03 to 2010	Pharmaceutical Policy and Global Health, HSPH	Instructor Developed & taught
2004-05 2006-07	Pharmaceuticals and Global Health, Harvard College, Freshman Seminar	Instructor Developed & taught
1990-91 to 2002-3	Ethical Basis of the Practice of Public Health, HSPH	Instructor Revised & taught
1998-99	Frontiers of Knowledge in HIV/AIDS: Prevention, Research & Care, HSPH	Instructor Revised & taught
1988-89 to 1990-91	Management in Public Health in Developing Countries, HSPH	Instructor Developed & taught
1985-86 to 1987-88	Comparative Health Policy in Industrialized Countries, HSPH	Instructor Developed & taught
1979-80	Social and Political Responses to Toxic Contamination, Yale University	Instructor Developed & taught
1974-75	Modern Japanese Attitudes Toward Death, Yale University	Coordinator Developed & assisted
