# Department of Global Health and Population Internship Opportunity

**Project Title:** Market Basket Survey of Street Vendors, Convenience Stores, and Supermarkets in Delhi

**Mentor(s):** Preet Dhillon and Safraj S (Public Health Foundation of India)

**Duration:** 1-3 Months

**Suited for:** Masters Students

**Contact:** Lindsay Jaacks ([jaacks@hsph.harvard.edu](mailto:jaacks@hsph.harvard.edu))

**Qualifications Desired:** Priority will be given to students with previous international experience (preferably in South Asia) in primary data collection and coursework in survey methods

**Project Description:** Students will contribute to survey development and implementation with the aim of quantifying access to fruits and vegetables in a megacity in India. Opportunities to learn GIS mapping of the food environment may also be available for students with previous experience in this methodology.

**Compensation:** Funding for internships is limited and course credit may be possible for some students. Please contact us for more information.
