

Degree: MPH – 45

Field of Study: Epidemiology

Practicum Project Organizations, Locations and Titles 2022

Project Title
Clinical predictors for pleurodesis and infections in patients with indwelling tunneled pleural catheters in malignant pleural effusion: A retrospective study
Complications following vaginal vault suspension versus minimally invasive Sacro colpopexy in women with elevated body mass index: a retrospective cohort study using data from the National Surgical Quality Improvement Program Database (NSQIP)
Does Race Play a Role in Time Physician Spends on Patient Visits with Depression (2014, 2016, and 2018 NAMCS Data)
Timing of aspirin and statin use in colorectal cancer chemoprevention
Mortality rates from elective non-cardiovascular surgical admissions before and during the Covid-19 pandemic in Brazil: an observational study.
Quality of care and resource allocation in a novel model of critical care The effect of race, gender, deprivation and age on key healthcare outcomes will be critical to effective reset and recovery planning from the omicron variant Associations of concordant and discordant chronic conditions with coronary heart disease: findings from the National Health and Nutrition Examination Survey, 2009-2018
Analysis of Employment's Effects on Time to Exclusive Breastfeeding Cessation Among Women in Nairobi's Informal Settlements
Cardiometabolic Risk Factors and Cardiovascular Disease in UK Biobank
Flavonoid intake and survival after diagnosis of colorectal cancer: a prospective study in two US cohorts
The Swiss Prison Study (SWIPS): A Public Health Registry of Prisoners in Switzerland Smoking and Multiple Sclerosis risk in African Americans: a nested case-control study Body Mass Index and COVID-19-Related Neurologic Outcomes: A Retrospective Cohort Study Understanding the Relationships of Arterial Carbon Dioxide and Neurological Biomarkers in Patients with Neurological Injury during veno-venous extracorporeal membrane oxygenation. A Prospective Cohort Study.
Association between long-term over the counter mouthwash use and the reduction of dental caries
Distance Surgical Mentorship in Cataract Phacoemulsification Using a 3D Visualization System

Degree: MPH – 45
