

Photo ID Upload Reminder

Dear Student,

This is a reminder to upload your [ID photo](#) if you have not done so already. You can find ID card photo submission application instructions [here](#).

As long as courses remain remote, you will not receive a physical ID card, however, your photo will be used for class rosters and other important documentation. Therefore, it is necessary for you to upload your photo.

The deadline to upload your photo is August 28th. Please upload your photo as soon as possible.

If you have any questions regarding your photo, please contact the [Campus Service Center](#).
