

DEPARTMENT OF SOCIAL AND BEHAVIORAL SCIENCES
SOCIAL DETERMINANTS OF HEALTH AREA OF INTEREST
REQUIREMENTS TRACKING SHEET

A. HARVARD CHAN SCHOOL-WIDE REQUIREMENTS

BIOSTATISTICS: [15 total ORDINAL credits] [10 Bio credits if 201 waived]

Intro Biostatistics [5 ORDINAL credits]	Completed	Grade earned (or expected enrollment date)
BIO 201 (Introduction to Statistical Methods) [5.0 credits]		
Other:		
If Waived attach approved waiver		
Intermediate or Advanced Biostatistics [10 ORDINAL credits from courses below]	Completed	Grade earned (or expected enrollment date)
BIO 210 (Analysis of Rates & Proportions) [5 credits]		
BIO 211 (Regression & Analysis of Variance in Experimental Research) [5 credits]		
BIO 213 (Applied Regression for Clinical Research) [5 credits]		
BIO 222 (Basics of Statistical Inference) [5 credits]		
BIO 223 (Applied Survival Analysis & Discrete Data Analysis [5 credits]		
BIO 226 (Applied Longitudinal Analysis [5 credits]		
GSE S030 (Intermediate Statistics: Applied Regression & Data Analysis) [5 credits] Note: this is the only non-Harvard Chan course that may be counted towards the school-wide biostats requirements		
If Waived attach approved waiver		

EPIDEMIOLOGY: [2.5 ORDINAL credits]

Intro Epidemiology	Completed	Grade earned (or expected enrollment date)
EPI 201 (Epidemiologic Methods I) [2.5 ORDINAL credits] (Must be taken in sequence with EPI 202.)		
If Waived attach approved waiver *must enroll in EPI 202 even if EPI 201 is waived		

B. GENERAL SBS REQUIREMENTS

* All General SBS Requirements must be taken for **ordinal grades** with the exception of SBS 269 and SBS 271 which must be taken pass/fail (total of 27.5 GENERAL SBS REQUIREMENTS ordinal credits & 2.5 P/F credits).

	Completed	Grade earned (or expected enrollment date)
SBS 201 (Society & Health) [2.5 credits]		
SBS New Theory course to be offered in 2016-17 [2.5 credits]		
SBS 245 (Social & Behavioral Research Methods: Part I) [5 credits]		
SBS 263 (Multilevel Statistical Methods: Concept & Application) [5 credits]		
SBS 269 (Doctoral Seminar on SBS) [1.25 pass/fail credits]		
SBS 271 (Doctoral Seminar on SBS) [1.25 pass/fail credits]		
SBS 500 (Developing a Research Protocol) [2.5 credits]		
SBS 506 (An Introduction to Theories of Disease Distribution & Health Inequities: History, Politics & Public Health) [2.5 credits]		
SBS 507 (An Advanced Seminar in Theories of Disease Distribution & Health Inequities: History, Politics & Public Health) [2.5 credits]		
EPI 202 (Epidemiologic Methods 2: Elements of Epidemiologic Research) [2.5 credits]		
Additional 2.5 credit SBS course of choice (insert course # and title)		
Please attach any approved course waivers		

C. SOCIAL DETERMINANTS OF HEALTH SPECIFIC STUDIES [20 ordinal credits]

INTERMEDIATE OR ADVANCED EPI [5.0 CREDITS] SUCH AS EPI 203 AND EPI 204

*In order to count as an intermediate/advanced Epi course, EPI 201 must be a pre-requisite

Insert course numbers and titles below	Completed	Number of Credits Earned	Grade earned (or expected enrollment date)

HUMAN BIOLOGY [5.0 CREDITS]

	Completed	Number of Credits Earned	Grade earned (or expected enrollment date)
EH 205 (Human Physiology) [5 credits]			

SOCIOLOGY OR POLICY COURSE [2.5 CREDITS]

Insert course numbers and titles below	Completed	Number of Credits Earned	Grade earned (or expected enrollment date)

CONTENT IN AREA OF EXPERTISE [7.5 CREDITS]

Insert course numbers and titles below	Completed	Number of Credits Earned	Grade earned (or expected enrollment date)

D. ADDITIONAL COURSEWORK [12.5 CREDITS]

Insert course numbers and titles below	Completed	Number of Credits Earned	Grade earned (or expected enrollment date)

E. OTHER REQUIRMENTS

If funded on a training grant, be sure to check the grant guidelines for special course requirements (e.g. MCH Grant or WGH)

F. REVIEW CHECK LIST

Total number of credits [80 course credits required]: _____

Note: 80 credits required despite any waiver approvals.

Percent outside HSPH [no more than 50% accepted] _____

Human Subjects Protection on-line training (attach certificate) Yes ____ No ____

MAJOR AND MINORS

Major Field [20 credits] _____

Minor Field [10 credits] _____

Minor Field [10 credits] _____

**Advisor's Certification of Completion of Coursework Required for the Doctoral
Written Exam:**

(Please Initial)

Advisor's Signature: _____

Date:
