Tuition Per Credit Rate

Non-degree students	\$1,444 per credit
----------------------------	---------------------------

Billing Information

All tuition rates for degree programs are inclusive of summer enrollment.

For summer-only degree programs, the annual cost will be 1/2 or 1/3 of the tuition flat rate for that year². See [billing policy](#) for more information.

Student Fees

(assessed to Student Account at my.harvard.edu)

HUSHP Student Health Insurance Plan (SHIP): Fee may be waived for each semester with proof of comparable coverage. Deadlines: July 31 for Fall, January 31 for Spring. Full details on HUHS website .	\$4,020 per year³
HUSHP Student Health Fee (SHF): Mandatory for all resident students taking more than 10 credits per semester. Students taking 10 credits or less may waive this fee. Full details on HUHS website .	\$1,242 per year
Late Registration Fee:	\$80
Other Fees: Course materials fees , library fees, parking fees and other miscellaneous charges may be charged to the student account. Please check your account regularly.	varies

SHIP and SHF are not assessed for students enrolled in the MPH-EPI, MPH-GEN and MHCM programs or for non-degree students.

Please Note: These rates are only for the academic year indicated; tuition increases annually. MPH-EPI and MHCM programs have the same tuition for each cohort's returning students, unless a student takes a leave of absence for more than a semester.

¹The continuation fee is charged when a student meets financial requirements before academic requirements. It is the same for full & part-time students.

²Summer only degree students are billed in the summer, and the tuition charge is inclusive of fall/spring enrollment within that academic year.

³Family/spousal health insurance is available to all students. More information available on the [HUHS website](#).

For more information, please refer to the [Student Handbook](#) and the [Billing Policy](#).
