Centennial Moments

*Successes, stories, and
surprising facts as the School
celebrates its 2013-2014
centennial.*

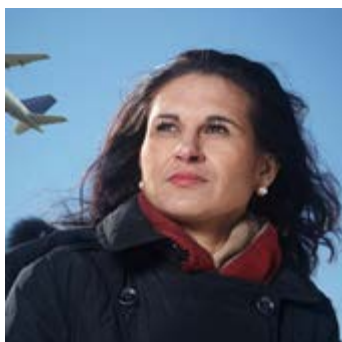

TODAY: Centennial Celebration with the Stars

February 27, 2:30-4:00
Kresge cafeteria
The annual HSPH Celebration
with the Stars honors employees
who have reached a service
milestone of five or more years.
Read a list of this year's
[honorees](#).

Youth born with HIV appear at increased risk for heart disease

About 50% of adolescents born
HIV-positive may be at increased
risk for heart disease, including
stroke and heart attack, later in
life, according to a National
Institutes of Health study led by
HSPH researchers.

Secrets of sound health

[Francesca Dominici](#), professor of
biostatistics and senior associate
dean for research, found that
elderly individuals who live along
the noisiest flight paths near
airports have a higher risk of
being admitted to the hospital for
cardiovascular disease.

Around the School

[Focus groups at Longwood on the Richard A. and Susan F. Smith
Campus Center](#)

March 11 and 12 in the Minot Room, Countway Library. Voice your thoughts on activities, amenities, and services you would like to see in the new Smith Campus Center.

[Training available for staff with financial and administrative duties](#)

Learn more about training opportunities and other news from the Office of Financial Services & Administration.

[Nominate a Harvard Hero](#)

The Harvard Heroes Recognition Program celebrates the extraordinary "above and beyond" contributions of Harvard staff. This year's Harvard Heroes awards ceremony, hosted by President Drew Faust, will be held June 12 in Sanders Theatre. Nominations will be open March 3 to 19.

[Educational Work/Life Seminars & Webinars](#)
