Tragedy in Orlando

The Harvard Chan School community remembered those murdered in Orlando, FL. Acting Dean David Hunter and Dean Designate Michelle Williams also issued a statement after the tragedy.

Eating more whole grains linked with lower mortality rates

Researchers recommend people choose foods high in whole grain ingredients that have at least 16 grams per serving, while reducing consumption of unhealthy refined carbohydrates.

Missing the mark

A new study finds one-third of children in low- and middle-income countries fail to reach developmental milestones.
