### INVITED LECTURES (Title, Event, Location, Date, ~Attendance)

1. *Health Nutrition and Population in India: Perspectives for Looking Ahead*, Aarambh: Indian Civil Service Entrants Program, Government of India, Kevadia, Gujarat, India, October 28, 2019, 120.
2. *Burden of Disease and Deprivation across Micro and Macro Public Policy Units*, Seminar, Bill & Melinda Gates Foundation, New Delhi, India, October 21, 2019, 15.
3. *Leveraging NFHS for Engagement and Accountability in Policy*, International Seminar on 25+ Years of National Family Health Survey (NFHS) in India: Lessons Learnt and Way Forward, India Habitat Centre, New Delhi, India, October 19, 2019, 100.
4. *Are Population Perspectives Enough to Understand and Address Health Inequalities?*, Invited Seminar, McMaster Institute for Research on Aging, Hamilton, Canada, October 22, 2019, 100.
5. *Explanations in Health and Nutrition: Individual and Population Perspectives*, Bangalore Boston Nutrition Collaborative Workshop, St. Johns Research Institute, Bangalore, India, January 7, 2019, 75.
6. *Childhood Undernutrition in India: Frequently Asked Questions (FAQs)*, Bangalore Boston Nutrition Collaborative Workshop, St. Johns Research Institute, Bangalore, India, January 8, 2019, 75.

7. *Data Science for Public Policy: Case of Aspirational Districts Program*, Asian Venture Philanthropy Network (AVPN) India Summit, New Delhi, India, December 5, 2018, 100.
8. *Multilevel Perspectives to Population Health*, Postdoctoral Fellows Meeting, Harvard Center for Population and Development Studies, Cambridge, MA, November 18, 2018, 20.
9. *Health Inequalities: Between- and Within-Population Perspectives*, Equity Fellows Program, China Medical Board, Harvard University, Cambridge, MA, US, June 4, 2018, 20.
10. *Missing Unit Problem in Population Health and Social Science Research* (Led by Dr. Rockli Kim), Harvard Geography Colloquium, Center for Geographic Analysis, Harvard University, Cambridge MA, March 15, 2018.
11. *Are Averages Helpful? Reflections on Scientific Inference in Social Sciences*, Public Lecture, Department of Social Work, The Chinese University of Hong Kong, Hong Kong, March 5, 2018, 50.
12. *Publish or Perish?* Seminar, Department of Social Work, The Chinese University of Hong Kong, Hong Kong, March 6, 2018, 20.
13. *Child Development in India: A Data Update*, India Philanthropy Initiative, Theme: Addressing Malnutrition in India, Bangalore, India, February 23, 2018, 50.
14. *Priority Areas for Child Development*, India Philanthropy Initiative, Theme: Addressing Malnutrition in India, Bangalore, India, February 23, 2018, 50.
15. *Average Treatment Effect: A Construct Ripe for Retirement*, Grand Rounds, School of Public Health and Health Policy, The City University of New York (CUNY), New York, NY, February 7, 2018, 50.
16. *Child Stunting in India: Lessons Learned*, Special Public Lecture, Inaugural India Seminar Series, The Lakshmi Mittal South Asia Institute, Harvard University, New Delhi, India, January 15, 2018, 80.
17. *Distribution of diabetes in India*, Swiss Re Institute Symposium, Singapore, October 31, 2017, 20.
18. *Why most population health research is not very useful?* Social Demography Seminar, Department of Sociology, and Center for Population and Development Studies, Harvard University, Cambridge MA, September 14, 2017, 60.
19. *Child Stunting in India: Overlooked Facts*, Keynote Address, Conference on “Stunting: Past, Present and Future”, London School of Economics, London, England, September 7, 2017, 50.

20. *Health Inequalities: Individual and Population Perspectives*, Lecture, 2017 International Summer School, Institut de Santé Publique d'Epidémiologie et de Développement (ISPED), Bordeaux, France, July 11, 2017, 20.
21. *Rethinking Policy Perspectives to Addressing Child undernutrition*, CeMIS Colloquium Summer Semester, Centre for Modern Indian Studies, Georg-August-Universität Göttingen, Göttingen, Germany, June 28, 2017, 40.
22. *Population Health: An Incomplete and Misleading Story*, Special Lecture, 9<sup>th</sup> International Society for Social Capital Research, Centre for Health Equity Studies, Stockholm University, Stockholm, Sweden, June 8, 2017, 80.
23. *Individuals Matter: Limits to the Mean-centric foundations of Population Health?* Special Lecture, Health in Context Symposium, University of Turku, Turku, Finland, June 6, 2017 100.
24. *Is it time to retire the mean-centric approach to population health?* Notestein Seminar Series, Office of Population Research, Princeton, Princeton, NJ, March 28, 2017, 80.
25. *What's missing in the population perspectives to health?* Academia for Global Medicine Lecture Series, JW Lee Center for Global Medicine of Seoul National University College of Medicine, Seoul, South Korea, March 13, 2017, 100.
26. *Child undernutrition in India: Lessons Learned*, JW Lee Center for Global Medicine of Seoul National University College of Medicine, Seoul, South Korea, March 12, 2017, 40.
27. *RIP: The Individual vs Population Dichotomy in Health*, Population Health Sciences Seminar, Harvard T.H. Chan School of Public Health, Boston MA, February 15, 2017, ~40.
28. *Perspectives to Understanding Variation in Health (and Nutrition)*, Bangalore Boston Nutrition Collaborative Workshop, St. Johns Research Institute, Bangalore, India, January 11, 2017, 75.
29. *Childhood Undernutrition in India: Lesson Learned*, Bangalore Boston Nutrition Collaborative Workshop, St. Johns Research Institute, Bangalore, India, January 10, 2017, 75.
30. *Literacy Proficiency and Health*, Key Note Address, Third Program on International Assessment of Adult Competencies (PIAAC) International Conference, Madrid, Spain, November 7, 2016, 150.
31. *Are Means Meaningless? Embracing Individual Variability in Population Health*, Key Note Address, Pontificia Universidad Javeriana, Bogota, Colombia, October 19, 2016, 150.

32. *Childhood Undernutrition in India: Lessons Learned*, Special Seminar, Tata Trusts, Mumbai, Maharashtra, India, July 28, 2016, 15.
33. *Moving Beyond Averages: Embracing Variation in Population Health*, Keynote Address, International Conference on Geographies of Health and Living in Cities (*H-City*), Hong Kong, June 22, 2016, 125.
34. *Cardiovascular Disease Discourse in India: Why its Problematic*, Special Seminar, Public Health Research Centre, University of Hong Kong, Hong Kong, June 20, 2016, 75.
35. *Stunting in South Asia: A Case for Action*, Stunted Children, Stunted Nations, STOP Stunting in South Asia (UNICEF), India Habitat Center, New Delhi, India, May 18, 2016, 100.
36. *Childhood Undernutrition in India: An Overview*, Special Seminar, Jodhpur School of Public Health, Jodhpur, Rajasthan, India, May 14, 2016, 20.
37. *Moving Beyond Averages: Embracing Variation in Population Health*, 24<sup>th</sup> Annual Gregory Lecture, University of Southampton (Geography and Environment), Southampton, UK, March 4, 2016, 150.
38. *Individual and Population Perspectives to Understanding Variation in Health*, Bangalore Boston Nutrition Collaborative Workshop, St. Johns Research Institute, Bangalore, India, January 8, 2016, 75.
39. *Childhood Undernutrition in LMICs: An Overview*, Bangalore Boston Nutrition Collaborative Workshop, St. Johns Research Institute, Bangalore, India, January 7, 2016, 75.
40. *Child Undernutrition in South Asia: Need for an Equity Perspective*, Special Keynote Address, International Conference on Maternal and Child Nutrition, South Asia Infant Feeding Research Network (SAIFRN) and UNICEF, Colombo, Sri Lanka, November 23, 2015.
41. *Cardiovascular disease burden in low- and middle-income countries: need for an equity perspective*, Special Lecture, University of Okayama, Okayama, Japan, September 29, 2015, 30.
42. *Neighborhoods and health: understanding the reciprocity*, Robert Wood Johnson Foundation Investigator Awards in Health Policy Research Annual Meeting, Coronado, CA, September 18, 2015, 50.

43. *Assessment of child anthropometric data quality in the West Central Africa region* (with Daniel Corsi), USAID Technical Meeting on Anthropometric Data in Population-Based Surveys, Washington DC, July 14, 2015, 25.
44. *Cardiovascular disease burden and the poor in India*, Special Lecture, 'Cardiovascular health risk factors in India', Swiss Re Centre for Global Dialogue, Mumbai, India, May 28, 2015, 120.
45. *Cardiovascular disease burden and the poor in India*, Special Lecture, 'Dealing with risks: health risk factors in rapidly changing economies', Swiss Nex and Swiss Re, India, Bangalore, India, May 26, 2015, 75.
46. *Child stunting in low- and middle-income countries: overview and lessons learned*, Guest Lecture, Seoul National University College of Medicine, Seoul, South Korea, March 19, 2015, 20.
47. *Global health discourse: Is it driven by rhetoric or evidence?* Academia for Global Medicine Lecture Series, JW Lee Center for Global Medicine of Seoul National University College of Medicine, Seoul, South Korea, March 17, 2015, 75.
48. *Calorie consumption in India: What does the NSS tell us?* (with William Joe) Bangalore Boston Nutrition Collaboration Workshop, St. Johns Research Institute, Bangalore, India, January 13, 2015, 75.
49. *The evolution of the Body Mass Index (BMI) Distribution* (with Fahad Razak) Bangalore Boston Nutrition Collaboration Workshop, St. Johns Research Institute, Bangalore, India, January 13, 2015, 75.
50. *Childhood Stunting: Overview and Lessons Learned*, Bangalore Boston Nutrition Collaboration Workshop, St. Johns Research Institute, Bangalore, India, January 13, 2015, 75.
51. *"What's the unit of analysis?" Is this question too restrictive*, J Douglas Eyre Distinguished Lecture, Department of Geography, University of North Carolina, Chapel Hill, November 21, 2014, 75.
52. *Reducing the Burden of Stunting: Lessons learned*, Conference on "STOP STUNTING: Improving Child Feeding, Women's Nutrition, and Household Sanitation in South Asia", UNICEF Regional Office for South Asia, November 10-12, 2014, New Delhi, India, November 10, 2014, 200.
53. *Multilevel perspectives: an introduction*, Workshop on "National Health Mission: Achievements and Challenges", Institute of Economic Growth, Delhi, India, September 9, 2014, 50.

54. *Rebooting the discourse on child undernutrition in India*, Distinguished Lecture, Workshop on “National Health Mission: Achievements and Challenges”, Institute of Economic Growth, Delhi, India, September 8, 2014, 75.
55. “*Reimagining Societies in the Face of Demographic Change*”, Panel Discussant. 50<sup>th</sup> Anniversary Symposium of the Harvard Center for Population and Development Studies, Boston, MA, April 29, 2014, 100.
56. *Are means meaningful? Increasing dispersion and inter-individual inequality in BMI* (with Fahad Razak), Nutrition and Global Health Seminar, Harvard School of Public Health, April 16, 2014, 30.
57. *\*Economic growth and undernutrition*, Chair, Panel Discussion on Food Security and Agricultural Policy, Conference on Growth and Social Transformation, Institute of Economic Growth, Delhi, India, March 21, 2014, 40.
58. *What’s wrong with single-level epidemiology?* Public Lecture Series, Duke-National University of Singapore Medical School, National University of Singapore, Singapore, December 13, 2013, 60.
59. *Place, space and health: future directions*, Nihon University, Tokyo, November 23, 2013, 75.
60. *Do minority and poor areas have closer proximity to fast-food restaurants in the United States (US)?* Annual Meeting of the Robert Wood Johnson Investigator Award in Health Policy Research, Atlanta, US, September 27, 2013, 60.
61. *Income inequality and health: what have we learned*, University of Okayama, Okayama, Japan, September 18, 2013, 20.
62. *Income inequality and health: an agenda for research and action in India*, Seminar, South Asia Network for Chronic Diseases, New Delhi, India, August 14, 2013, 20.
63. *Child undernutrition in India: lessons learned*, Institute of Economic Growth (IEG) Distinguished Lecture Series, India International Centre, August 12, 2013, 50.
64. *Income inequality and health: an agenda for research and action in India*, Keynote Address, Workshop on Health Inequality in India: Concept, Methods and Evidence, Institute of Economic Growth, New Delhi, India, July 23, 2013, 100.
65. *What’s wrong with single-level epidemiology?* Special Research Seminar, Public Health Foundation of India, New Delhi, India, July 18, 2013, 35. (+ Webinar)
66. *Income inequality and health: is inaction an option?* Eighth World Health Organization Global Conference on Health Promotion: “Health in All Policies”, Helsinki, Finland, June 12, 2013, 75.

67. *Beyond hierarchical: future directions for research on health and place*, Seminar on “Emerging issues in social epidemiology”, University of Turku and Finnish Institute on Occupational Health, Turku, Finland, June 3, 2013, 75.
68. *Intergenerational influences on child nutrition in low and middle income countries*, Carolina Population Center, University of North Carolina, Chapel Hill, April 26, 2013, 50.
69. *Intergenerational influences on child nutrition*, University of Okayama, Okayama, Japan, February 18, 2013, 20.
70. *Multilevel methods: an overview and demonstration*, University of Okayama, Okayama, Japan, February 16, 2013, 15.
71. *Multilevel methods: an overview and demonstration*, Bangalore Boston Nutrition Collaborative, International Course in Nutrition Research Methods, St John’s Research Institute, January 24, 2013, 75.
72. *Intergenerational influences on child nutrition*, Bangalore Boston Nutrition Collaborative, International Course in Nutrition Research Methods, St John’s Research Institute, January 23, 2013, 75.
73. *Is there a compression of morbidity? An overview* (with Dr. Hiram Beltran-Sanchez), Led the opening of a workshop attended by leading experts titled “Is there a compression of morbidity? Evidence and Consequences” at the Harvard Center for Population and Development Studies, Cambridge, MA, September 28, 2012, 30.
74. *Why is a life course approach pertinent for addressing health inequalities?* Keynote Presentation, Cyprus 2012 EU Presidency High Level Conference “Healthy Aging Across Life Cycle”, Nicosia, Cyprus, 150.
75. *Linked Lives: Intergenerational Influences on child Mortality and nutrition*, Hot Topics Seminar, Harvard School of Public Health, August 14, 2012, 30.
76. *Social dimensions of nutrition in low and middle-income countries*. Global Nutrition Summer Course, Harvard School of Public Health, August 13, 2012, 30.
77. *Social environment and health: an overview*, Keynote Speaker, International Symposium on “New Tides of Long Term Care Prevention and Health Policy Management: Focus on Social Environment and Disparity”, The Center for Well-being and Society (CWS), Nihon Fukushi University, Nagoya, Japan, August 4, 2012, 80.
78. *Linked Lives: Intergenerational Influences on Child Mortality and Nutrition*, Epidemiology Seminar, School of Medicine, Nagoya University, August 3, 2012, 90.

79. *Linked Lives: Intergenerational Influences on Nutritional Status*, Social Epidemiology Seminar Series, University of Ryuku, Okinawa, June 13, 2012, 60.
80. *What's wrong with the narrative of NCDs in India?*, Panel Discussion on Chronic Diseases in India: An Emerging Threat to Health and Economy, Harvard School of Public Health, Harvard South Asia Initiative, Harvard Business School, Mumbai, India, March 16, 2012, 80.
81. *Linked Lives: Intergenerational Influences on Health in India*, Global Health Seminar Series, South Asia Initiative, Harvard University, March 6, 2012.
82. *What's wrong with the narrative of NCDs in low and middle income countries?*, Population Seminar Series, Harvard Center for Population and Development Studies, Harvard University, Cambridge, MA, February 27, 2012, 30.
83. *Comparative Epidemiologic Research: An Overview*, International Workshop on "Potentials of international collaborative research in social epidemiology and gerontology, The Center for Well-being and Society (CWS), Nihon Fukushi University, Nagoya, Japan, January 8, 2012, 40.
84. *Linked Lives: Intergenerational Influences on Health*, Department of Economics, University of Hawaii, and East West Center, Honolulu, Hawaii, December 19, 2011.
85. *Is this the end of geography as a discipline?* "State of the Field" Panel Discussion, Weatherhead Center for International Affairs, Harvard University, November 16, 2011, 50.
86. *Social Epidemiology of Nutrition in LMICs*, Advanced Training Seminar on Nutritional Epidemiology, Centre for Chronic Disease Control, New Delhi, India, November 5, 2011, 60.
87. *Multilevel Methods: An Overview*, Advanced Training Seminar on Nutritional Epidemiology, Centre for Chronic Disease Control, New Delhi, India, November 6, 2011, 60.
88. *DHS: enabling an evidence-based public health science and policy in LMICs*, DHS Working Group Seminar, Harvard Center for Population and Development Studies, Cambridge, October 12, 2011, 15.
89. *Multilevel Methods: An Overview*, North American Association of Central Cancer Registries Annual Meeting, Louisville, Kentucky, June 24, 2011, 40.
90. *Why Multilevel Approaches are Useful?* Department of Health Policy and Management, Medical School, Seoul National University, South Korea, May 17, 2011, 60.

91. *Relevance of Multilevel Perspectives*, Laboratory for Emergency Medical Service, Seoul National University Hospital Clinical Research Institute, South Korea, May 16, 2011, 20.
92. *Causal Perspectives to Modeling Ecologic Effects*, Department of Health Policy and Management and Laboratory for Emergency Medical Service, Seoul National University, South Korea, May 16, 2011, 50.
93. *Global Double Burden of Malnutrition in LMICs: Has Anyone Seen It?* Third Annual Symposium on Nutrition and Global Health, Harvard Global Health Institute, Harvard Medical School, Boston, MA, April 26, 2011, 75.
94. *What's Wrong With Single-Level Perspectives?*, Robert Wood Johnson Foundation Health and Society Scholar Program Seminar Series, Harvard School of Public Health, Boston, MA, December 16, 2010, 25.
95. *Linked Lives: Intergenerational Influences on Health*, Clinical Epidemiology and Biostatistics Rounds, Faculty of Health Sciences, McMaster University, Hamilton, Canada, November 30, 2010, 40.
96. *Linked Lives: Intergenerational Influences on Health*, Regional Cardiology Rounds, Hamilton General Hospital and Population Health Research Institute, Hamilton, Canada, November 30, 2010, 40.
97. *Neighborhood Disadvantage and Health: A Lifecourse Perspective*, Annual Robert Wood Johnson Investigator Award in Health Policy Research Meeting, Itasca, IL, October 7, 2010, 50.
98. *Multilevel Methods*, Seminar Series, South Asia Network for Chronic Diseases, Public Health Foundation of India, New Delhi, India, April 26, 2010, 20.
99. *Linked Lives: Intergenerational Influences on Health*, Seminar Series, Department of Epidemiology, University of Michigan, Ann Arbor, MI, April 1, 2010, 30.
100. *Revisiting Robinson: What's Wrong With Single-Level Perspectives?*, Brown Epidemiology Seminar Series, Center for Population Health and Clinical Epidemiology, Brown University, Providence, RI, March 25, 2010, 25.
101. *Widowhood and Mortality: Is there a Role for Social Context?*, Inaugural Symposium, Center for Well-being and Society, Nihon Fukushi University, Nagoya, Japan, March 14, 2010, 100.
102. *Understanding Social Capital and Health: What Are We Missing?* Social Capital Symposium, Nihon University, Tokyo, Japan, March 13, 2010, 100.

103. *Linked Lives: Intergenerational Influences on Health*, Departmental Seminar Series, Department of Society, Human Development and Health, Harvard School of Public Health, Boston, MA, February 4, 2010, 25.
104. *Ecologic Effects on Health: An Update*, Departmental Seminar, Okayama University, Okayama, Japan, January 6, 2010, 25.
105. *Linked Lives: Assessing Intergenerational Influence On Health*, Departmental Seminar, Okayama University, Okayama, Japan, January 6, 2010, 25.
106. *Revisiting "Geographical Variances"*, Arthur Getis Lecture in Spatial Analysis: A Symposium in Honor of Waldo Tobler, Department of Geography, San Diego State University, October 16, 2009, 50.
107. *SES and Health*, Medical Staff Education Program, Exeter Hospital, Exeter, NH, September 29, 2009, 50.
108. *Linked Lives: Assessing Intrauterine Influences*, Population Seminar Series, Harvard Center for Population and Development Studies, Harvard University, Cambridge, MA, September 21, 2009, 30.
109. *Neighborhoods and Health: An Overview*, First Mannheim-Utrecht workshop: Health and Neighborhood, Mannheim University, Mannheim, Germany, January 5, 2009, 50.
110. *Income Inequality and Health*, Workshop on Disparities in health in America: Working Towards Social Justice, University of Houston-Downtown, Houston, TX, October 21, 2008, 50.
111. *Social Determinants of Health And GIS*, Symposium on GIS and Health, Public Health Foundation of India, New Delhi, India, September 30, 2008, 50.
112. *Multilevel Methods: An Introduction*, Robert Wood Johnson Foundation Health and Society Scholar Program Seminar Series, Harvard Center for Population and Development Studies, Harvard University, Cambridge, MA, September 25, 2008, 50.
113. *Income Inequality And Health: What Have We Learned So Far*, Healthway Visiting Fellow Seminar, University of Western Australia, Perth, Australia, June 15, 2008, 50.
114. *Making The Case For Multilevel Public Health Research*, Invited Seminar, Tokyo Medical School, Tokyo, Japan, January 10, 2008, 30.
115. *Neighborhoods and Health: An Update*, Invited Seminar, Okayama University, Okayama, Japan, January 8, 2008, 40.

116. *PURE: A Multilevel Perspective*, Prospective Urban Rural Epidemiologic (PURE) Survey Investigators Meeting, St. John's Hospital, Bangalore, India, December 21, 2007, 30.
117. *Social Determinants Approach to Understanding Nutritional Status in India*, International Teaching Seminar on Nutritional Research Methods, Public Health Foundation of India, New Delhi, India, November 29, 2007, 50.
118. *Neighborhood Effects on Health: A Methodologic Update*, Environmental Statistics Seminar, Harvard School of Public Health, Boston, MA, October 29, 2007, 20.
119. *Sex Imbalance and Socioeconomic Status in India: A Counterintuitive Association*, Science and Society Seminar Series, Population Health Research Institute, Hamilton, Canada, September 27, 2007, 50.
120. *Socioeconomic Status, Air Pollution and Health*, Workshop on Air Pollution and Cardiovascular Diseases, Population Health Research Institute, Hamilton, Canada, September 27, 2007, 50.
121. *Income Inequality and Health: What Have We Learned So Far*, Invited Seminar, Harvard Initiative for Global Health, Cambridge, MA, May 15, 2007, 50.
122. *Societal Determinants: An Overview*, Prospective Urban Rural Epidemiologic (PURE) Survey Global Investigators Meeting, Istanbul, Turkey, April 13, 2007, 100.
123. *Issues for Social Epidemiology*, Exploring "Inequalities in Health" - Social Epidemiological Approaches to Care Prevention, Nagoya, Japan, March 18, 2007, 100.
124. *Income Inequality and Health: What Have We Learned So Far*, Invited Seminar, Nihon Fukushi University, Nagoya, Japan, March 17, 2007, 40.
125. *Neighborhoods and Health*, Invited Seminar, Nihon Fukushi University, Nagoya, Japan, March 17, 2007, 40.
126. *Income Inequality and Health: What Have We Learned So Far*, RWJ Health and Society Scholar Seminar, Harvard University, Cambridge, MA, March 1, 2007, 30.
127. *Neighborhoods and Health*, Graduate Seminar Course, Boston University School of Public Health, Boston, MA, February 28, 2007, 15.
128. *Income Inequality and Health: What Have We Learned So Far*, IES Seminar, Department of Psychology, University of Miami, Miami, FL, November 7, 2006, 40.
129. *Causal Ecologic Effects on Health: A Methodologic Assessment*, Graduate Seminar Course, Department of Psychology, University of Miami, Miami, FL, November 3, 2006, 15.

130. *Multilevel Statistical Models: Concept and Application*, Invited Seminar, Social Capital Research Network, The Institute of Statistical Mathematics, and The Center for Community and Stream Care Research, Tokyo, Japan, October 23, 2006, 50.
131. *Neighborhoods and Health: A Multilevel Perspective*, Discussion Forum of Assembly Japanese Public Health Association, Toyoma, Japan, October 25, 2006, 100.
132. *Social Capital and Health: A Multilevel Perspective*, Symposium on Social Capital and Health, Tokyo, Japan, October 26, 2006, 50.
133. *Geo-coded Data, Health Disparities, and Multilevel Models*, Public Health Disparities Geocoding Training Course, Harvard School of Public Health, Boston, MA, August 2, 2006, 30.
134. *Health Inequalities: The Contribution of Social Context*, Keynote Address, Fifth Annual Meeting of the International Society of Behavioral Nutrition and Physical Activity, Boston, MA, July 13, 2006, 100.
135. *Income Inequality and Health*, 4th Annual Health Disparities Summer Workshop, Houston, TX, June 28, 2006, 100.
136. *Geo-coded Data, Health Disparities, and Multilevel Models*, Public Health Disparities Geocoding Training Course, Harvard School of Public Health, Boston, MA, May 29, 2006, 30.
137. *Neighborhoods and Health*, Graduate Seminar Course, Boston University School of Public Health, March 1, 2006, 15.
138. *Income Inequality and Health*, Prospective Urban Rural Epidemiologic (PURE) Survey Global Investigators Meeting, Dubai, UAE, January 6, 2006, 100.
139. *Income Inequality and Health*, Workshop on Disparities in health in America: Working Towards Social Justice, University of Houston-Downtown, November 15, 2005, 50.
140. *Income Inequality and Health*, Seminar Series on Science and Society, Population Health Research Institute, Hamilton, Canada, July 5, 2005, 50.
141. *Social Capital and Well Being: A Multivariate Multilevel Perspective*, New Developments in Social Determinants of Health: International and Australian Perspectives, VicHealth and Key Centre for Women's Health, Melbourne, Australia, June 10, 2005, 100.
142. *Income Inequality and Health*, New Developments in Social Determinants of Health: International and Australian Perspectives, VicHealth and Key Centre for Women's Health, Melbourne, Australia, June 10, 2005, 100.

143. *Geo-coded Data, Health Disparities, and Multilevel Models*, Public Health Disparities Geocoding Training Course, Harvard School of Public Health, Boston, MA, June 3, 2005, 30.
144. *Income Inequality and Health*, Departmental Seminar, Department of Economics, Ohio State University, Columbus, OH, April 21, 2005, 40.
145. *Social Capital, Health and Happiness: A Multivariate Multilevel Perspective*, Whither Social Capital? Past, Present and Future, South Bank University, London, UK, April 7, 2005, 25.
146. *Income Inequality and Health*, Health Disparities Working Group Meeting, Harvard School of Public Health, Boston, MA, March 28, 2005, 25.
147. *Geo-coded Data, Health Disparities, and Multilevel Models*, Public Health Disparities Geocoding Training Course, Harvard School of Public Health, Boston, MA, March 11, 2005, 30.
148. *Social Epidemiology and Multilevel Models: The Relationship between Individual Income, State Income Inequality and Health in the United States*, Invited Seminar, Mailman School of Public Health, Columbia University, February 4, 2005, 75.
149. *Geo-coded Data, Health Disparities, and Multilevel Models*, Public Health Disparities Geocoding Training Course, Harvard School of Public Health, Boston, MA, January 27, 2005, 30.
150. *Segregation and Health*, Symposium on Health Disparities, Harvard School of Public Health, Boston, MA, October 22, 2004, 100.
151. *Income Inequality and Health*, Workshop on Disparities in health in America: Working Towards Social Justice, University of Houston-Downtown, October 12, 2004, 50.
152. *Income Inequality and Health: What Have We Learned So Far*, Robert Wood Johnson Foundation Health and Society Scholar Program Annual Meeting, Boulder, CO, May 7, 2004, 50.
153. *Multilevel Statistical Models: Concept and Application*, Symposium on Health Geography, Centre de Recherch, d'Etude et de Documentation en Economie de la Sante, Paris, France, May 1, 2004, 50.
154. *Multilevel Statistical Models: Concept and Application*, Graduate Seminar Course, Tufts University, April 22, 2004, 25.

155. *Compositional and Contextual Influences on the Self-Rated Health of the Elderly*, Recent Developments in the Study of Neighborhoods and Aging, 56th Annual Scientific Meeting of the Gerontological Society of America, San Diego, CA, November 23, 2003, 75.
156. *Inequality and Health: What Have We Learned So Far*, Invited Seminar, Department of Community Health, Brown University, Providence, RI, November 5, 2003, 75.
157. *Inequality and Population Health: What Does the Evidence Tell Us?*, Invited Seminar, Telethon Institute of Child Research, Perth, Australia, September 24, 2003, 50.
158. *Modeling Contextuality and Heterogeneity in Health: A Multilevel Modeling Approach*, 2003, International Symposium on "Socioeconomic Factors and Air Pollution Health Effects", Perth, Australia, September 23, 75.
159. *Multilevel Statistical Methods: Concept and Application*, Invited Seminar, Ministry of Health, Buenos Aires, Argentina, August 1, 2003, 50.
160. *Understanding Racial Disparities in Health: A Multilevel Methodological Approach*, Workshop on Racial Disparities in Health, Harvard School of Public Health, Boston, MA, April 10, 2003, 40.
161. *Multilevel Methods: Concept and Application*, Invited Seminar, New England Research Institutes, Watertown, MA, May 14, 2002, 35.
