Health Comm Connect

HSPH’s Health Communication Concentration (HCC) Newsletter

Spring 2019 HCC Courses
There are a variety of Spring 2019 courses at HSPH and other Harvard graduate schools that count towards the Health Communication Concentration. These include:

- SBS 509: Health Communication in the 21st Century [note that this course is a requirement to fulfill the concentration]
- SBS 519: Patient-Centered Communication & Health Equity - Challenges and Opportunities in the Digital Era

See our website for a full list of courses and information on eligibility.

Job-Postings
Click here to view job postings on the HCC website. Some recent postings include:

- LGBTQ Health Communication Research Specialist, PRIDEnet, Stanford University School of Medicine
- Health Communication Fellowship in Implementation Science, National Cancer Institute’s Division of Cancer Control and Population Sciences

Check back often, since we update the page with new job postings regularly.

Conferences
Check out the conferences page on our website to learn about upcoming events related to health communication.

Save the dates!

- HCC is hosting a career panel on Friday, March 1, 2019 from 3:00 - 4:30pm at HSPH. The panel will feature health communication professionals from a variety of disciplines. Students will have the opportunity to meet with panelists and ask questions in small groups. This event is co-sponsored by the Office for Career Advancement. Registration information will be available early in the Spring semester.

- New date for HCC Reception: Monday, March 25, 2019 from 4-6pm. Stay tuned for more details!
